

YOUR AI JOURNEY, SIMPLIFIED & SUPPORTED

INTELLIGENCE ASSIST

THE AI ADVANTAGE

AI isn't just a buzzword, it's delivering results!

Source: Australian National AI Centre, McKinsey & Co and Harvard Business School

UNSURE HOW TO UNLOCK THESE BENEFITS?

We make AI work for your business, simply.

STRATEGIC TOOL ADOPTION

PROCESS EVOLUTION

EDUCATION & SUPPORT

RESPONSIBLE GOVERNANCE

Where do we start?

IA works with you to create a **blueprint**, prioritise opportunities, and develop a strategic **roadmap** for **gradual, impactful AI adoption**.

Is AI even applicable to my business?

IA evaluate **AI's potential across every function** of your business – from front customer-facing, through your core product or service, to back office activities.

I have subscription fatigue!

As a **tool-agnostic** partner, IA **optimises your existing** tools, finding ways to save money, boost productivity, and improve quality across your business.

Feeling overwhelmed by AI's rapid pace?

IA stays ahead, so you don't worry. We **constantly assess** AI advances, keeping your solutions cutting-edge. With us, **you'll effortlessly** adapt and lead.

Is our data safe with AI?

IA implements robust **data protection** and ethical AI governance, while **training** your team to ensure **responsible use** business-wide.

Who will manage our AI adoption?

IA provides **AI experts on demand** with unlimited consultations. We **train your team to use AI**, augmenting their work, creating capacity, not using it.

YOUR AI JOURNEY, OUR HOLISTIC APPROACH

Where & how will AI make an impact in your business

| End-to-End Business Value Chain ↓ | Generative AI | Conversational AI | Automation with AI | Predictive AI | Multimodal Applications of AI ← |
|-----------------------------------|--------------------------------------|--|---|---|---------------------------------|
| Front Customer-Facing | Personalized content for marketing | 24/7 customer support via chatbots | Automate CRM & entry and lead follow-up | Sales forecasting and customer retention strategies | |
| Core Product or Service | Create training materials and guides | Product knowledge support for staff | Improve workflow and delivery processes | Real-time resource and inventory planning | |
| Back Business-Sustaining | Create contracts and legal documents | IT helpdesk support via virtual agents | Automate invoicing and payments | Staffing forecasts based on trends and data | |

What Our Clients & Partners Say

"It is clear that this niche area requires the knowledge of specialised companies like Intelligence Assist to provide guidance and smart workplace implementation"

- Private Wealth Adviser, Sydney Australia

"The Intelligent Assist team are true experts in cutting through the noise and guiding small businesses on the pathway for AI adoption. The team is wonderful to work with and we greatly enjoy all of our interactions and partnership. They're committed to delivering the utmost for their clients and the broader ecosystem."

- Katherine Larish, Founder & CEO, InsightWise
